

I have reviewed the product information submitted on your new electrolyte replacement beverage.

The following beverages are approved for use in Los Angeles Unified School District and are compliant with SB 19 for Middle and Senior High Schools Only in the Electrolyte Replacement Beverage Category. These products are not approved for use in elementary schools:

Crystal Splash Naturally Flavored Electrolyte Replacement Beverage, 16.9 oz. plastic bottle - Wild Berry, Kiwi Watermelon, Black Cherry, and Kiwi Strawberry flavors.

These beverages will be added to the listing of approved beverages at www.café-la.org in the middle of February- but this letter may be used as approval until then.
